Director
SAMETI, Jharkhand

26. IMPORTANT INSTRUCTIONS

1. (a). ADVANCE SAMPLE . As per schedule to tender.

(b) Tender samples are required (QUOTATIONS WITHOUT SAMPLES “SHALL, BE SUMMARILY REJECTED”). Tenderers should note that samples of what they offer to supply should not be less than the quantity necessary for test as per specifications, if any, or in the schedule to Tender. In case the quantity of sample required for the test is given either in the specifications or in the schedule of Tender, this should be adhered to. Each sample should have card affixed to it giving particulars of:-

- i) Firms name and address.
- ii) Tender Number.
- iii) Date and time of opening of Tender.
- iv) Item Number of schedule against which Tender Sample submitted
- v) Any other description, if necessary, written clearly on it.
- vi) The cost and freight of sending the samples shall be borne by the tenderers and there will be no obligation on the part of the receiving officer for their safe custody. Tenderers who do not submit the samples their offer shall be rejected.
- vii) In case the supply is not matching with specifications as well as the tender sample the same would be rejected and the fresh supply as per specifications as well as the tender have to be done by the firm at the cost of the supplier and the firm will not ask for any charge from the purchaser including transportation/insurance/damage/loss etc.

2. If the samples are sent by Railway Parcel, the Railway receipt should not be enclosed with the tender documents but should be posted separately to the officer to whom samples are sent (Under a covering letter giving the necessary particulars to enable him to connect the Railway Receipt easily with the Parcel). Samples submitted by the tenderers whose offers are not accepted will be delivered to their representative, if they call for the same or can be returned direct to them at their cost, provided the application for return is made to the officer to whom the samples were sent, within one month after the contract is placed on the successful tenderer or after notification of cancellation of demand. If no application is received within the due date, the samples will be disposed off by public auction and sale proceeds credited to the Government. -

3. The tenderers should have supplied similar Device to any Govt. Organization or Department & should submit a performance certificate from the user Department or Organization.

4. GUARANTEE / WARRANTY

Except as otherwise provided in the invitation to the tender, the tenderer hereby declares that the goods, articles sold/supplied to the purchaser under this contract shall be of the best quality and

workmanship and new in all respects and shall be strictly in accordance with the specification and particulars contained / mentioned in the tender. The Tenderer hereby guarantees that the said goods/stores/articles would continue to conform to the description and quality aforesaid for a period of twelve months, from the date of delivery of the said goods. If during the aforesaid period of 12 months, the said goods/articles be discovered not to conform to the description and quality aforesaid or not giving satisfactory performance or have deteriorated, the decision of the purchaser in that behalf shall be final and binding on the tenderer and purchaser shall be entitled to call upon the Tenderer to rectify the goods /articles or such portion thereof as is found to be defective by the purchaser within a reasonable period or such specified period as may be allowed by the purchaser in his discretion on/an application made thereof by the contractor and in such an event, the above mentioned warranty period shall apply to the goods/articles/rectified from the date of rectification thereof. In case of failure of the tenderer to rectify or replace the goods etc. within specified time, the purchaser shall be entitled to recover the cost with all expenses from the tenderer for such defective stock.

5. In the event of tender being cancelled for any breach committed and the purchaser affecting re-purchase of the stock at the risk and the cost of the tenderer, the purchaser is not bound to accept the lower offer of Benami or allied or sister concern of the tenderer.

6 Purchaser will not pay separately for transit insurance and the supplier will be responsible till the entire stock tendered for, arrive in good condition at the destination. The consignee, as soon as possible but not later than 30 days of the date of arrival of the stock at destination, notify to the tender any loss or damages to the stock that may have occurred during the transit.

7. Prices be quoted both in words as well as in figures.
